Power over Ethernet Injector

Description of product, product group or product family

Product list:

See list on next page(s).

Description of product function:

The main function of a PoE injector is to provide data and power to the industrial field cable, which is connected to the field device. PoE injectors cannot be connected to a PSTN.

Reason why CCC certification is not required:

According to the latest bulletin of CNCA for CCC, these above mentioned products do not belong to a CCC category and therefore are not in CCC application range.
