

CCC-Exempt Declaration

As we know, CCC certification is mandatory in China for defined products, and CNCA is the responsible committee for the definition of CCC application range. So please visit the website below for the latest bulletin (No. 45 of year 2014) of CNCA for CCC:

Primary-switched power supplies

Description of product, product group or product family

Product list:

See list on next page(s).

Description of product function:

Primary-switched power supplies for DIN rail mounting in industrial switch cabinets.

Reason why CCC certification is not required:

The listed power supplies are not for computers and adapters for information technology equipment (such as laptop) and they are not for audio/video products. So these above mentioned products do not belong to CCC categories and therefore are not in CCC application range.
